

BOARD OF CORRECTIONS MEETING july 16, 2002

SCOTT MOTION BUD SECOND 7 yes

Corrections director report normal stats over last two months of may and june 137.3 daily average have peaks 170

Booked 626 people arrests by agencye 1229 charges two charges per person
Deb reh and david arndold attend a town hall meeting for all jails that have contracts reviewed the billing and reviewed jail standards contract issues with us marshal not ins us marshalls talked about hasings facility and they do not think it will have an impact they pick them up withing 24 hours hall county has not held a lot and ins is still looking in bed space

Scott had a discussion at boe priorities that the publi has public wants strong law enforcement and punishment put people in jail and deciding how large of a jail his quesiotn we don't have as many people in jail as what we could running over said capacity daivd agrees once overcrowded a list of things that can be done or bonds are important if a lot of bed space judges would like about this even with what we have they are pretrail will be setting for six months before sent to trail

Jim he understand ins only used hasitngs federal marshall are not using us marshal does not use this facilitiy because we are so far away does ins and us marshal still sign contracts and they will do that phelps county signed for 35 bids and received 900,000.00 Discussion on number of inmates

Received a letter form dept of correction services health services exploring for regional training for regional training for medical providers they will develop a circulum and get the medical staff som additon training did visit doublas county

Dept of correclotn services entire funds for reimbursement deficit requests fro the shortfolls in this program need a claim for last year and this year with a total \$324,000.00 this was negotiatied down this is a contract bud hold for transport authority could be inc other sheriffs her out of county warrents assult and drunk driving

Inmate ettelephones global tellink message chaarge charge by uswest will be 4.50 to 8.50 persons to person

Justice benefits would lilke to talk to board michesll thorson port orchard washington specialze finding federal reimbursement dollars has been around since 1995 receive reibursement for housing this program state criminal alien program all countys can be reimburseed for hosing federal inmates do not budget for this money use booking reprotos complie with officers and salaries truned over thdave and assist in going on line to obatinan the claim they work ona commission even if money is avaial and do not down money they charge a flat rate of 22% the claims were done in february working dawson and sarpy county are working on several other counties wouldlike the opportunity to serve Hall county it is a four year term agreement would have to sign this agreement july 2001 and june 2002 done a year in arrears b ureau of justrice give a 30 day window these are eintiement dollars

Arnold make a motion to refer to the corecitons steering and have county attorney review the contract logan second dave arnodl 7 yes

Public particiaptaiotn called no response

Logan motion bud seocnd go out boar 7 yes
